PonyCon Holland 2024 - International Reach:

Volunteers

The PonyCon Holland team for 2024 counted 62 heads strong. That is 7 more than last year. This number includes Staff, Tech, Theater, Art and the Volunteers.

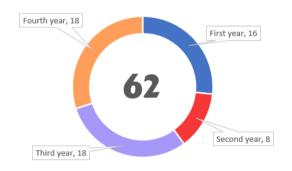

We worked 940 hours in total during the weekend (Friday to Monday). The regular Saturday-Sunday volunteer clocked in an average 11 hours of work.

But the convention was of course not the only time people worked on the event. Our staff team spend an average of 3 hours per week on the event, bringing us to a total of 1395 hours worked before the convention.
